ST

“ *Riza girl was the sweetest and softest kitty! She loved her momma and was great friends with my cat, Kane! Even my family members loved her and would ask about her. Every single time I would put my finger out, she would come for a nose bop without fail! I’m grateful she lived such a beautiful and long life! Rest in Kitty Heaven, Babygirl!* ”

“ *She was the guard kitty. Always sitting in the window waiting for grandma to get the kids ready for school. One special kitty* ”
