“ 3 weeks ago we had to make the hardest decision in our family. QC Pet Cremation was the most comforting and heartfelt experience we could've chosen to go through with this difficult process. The grace and compassion shown through every phone call, as well as the pick up/ grieving was more than generous. The kindness during this hard time and the beauty in the way everything was presented to us brought peace knowing our family dog was well taken care of in his final moments. Thank you to Mark and the staff for going above and beyond to help us make peace in something so hard for us.
